RE: Enclosed Form PTO/SB/123 AND Change of Address for Application

Sir/Madam,

Enclosed is the above mentioned form referring to my new address for the current patent I hold.

I have also filed a patent application for another invention titled: *Using a polymer instead of rollers as the main sliding mechanism in the manufacture or repair of a sliding glass door or window and for sliding screen doors.*

Due to the recent move, I cannot find the documentation your office had sent me in reference to the recent patent application.

How can I find this information so I can properly fill out Form PTO/SB/122?

My old address was:

150 Hardy Way
Hiram, GA 30141

Could you please let me know?

Thanks and feel free to contact me with any questions or comments you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Sirochman".
